Emakhazeni Investment Summit 2026

THURSDAY, 19 NOVEMBER 2026

Wonderfontein Hall, Emakhazeni, Mpumalanga

Investing in Emakhazeni’s future

Along the N4 Maputo Corridor, Emakhazeni has an established mining and farming base and tourism destinations such as Dullstroom and Emgwenya (Waterval Boven). The summit brings investors, government, industry and entrepreneurs together to explore projects that can create jobs and open supply opportunities for local businesses.

Africa Arise aims to identify at least 30 potential projects and lay the groundwork for a development programme for 100 small and medium-sized businesses.
